Volunteer Opportunities – AMS 2014 Annual Conference

Volunteers provide vitally needed support in ensuring that the AMS Annual Conference runs smoothly for the thousands of individuals who attend. The different areas of support and the available time slots are detailed below. Volunteers receive a 10% discount on their full conference registration for working a 2 hour shift. Shifts are available one per volunteer, and on a first-come, first-served basis.

Information Central

Volunteers at this centrally-located area act as conference "hosts" by answering attendees' questions about hotel and area logistics, the conference schedule, and more. They also collect workshop evaluations and take responsibility for the message board. Volunteers who know the "ins and outs" of the local Dallas area are particularly helpful in this role.

Registration

Volunteers ensure that registrants are in the correct line to pick up their name badges, distribute registration materials, and replenish tote bags. A good opportunity to extend a friendly hello to individuals joining us from all parts of the world, and serve as one of their first conference connections.

Floater

Volunteers must be flexible to fill in where needed, whether it be at Registration, Information Central, the Exhibit Hall, directing traffic during breaks or guiding attendees to exits during the keynote presentation. Volunteers in this role need to be ready to jump in!

Tote Bag Stuffing

Volunteers fill conference tote bags with the information and goodies that help ensure attendees a successful conference experience. This is typically a lively, communal experience, as volunteers work in sync with one another to get the job done. Volunteers needed are noted in the parentheses next to the time slot.
