

AMERICAN MONTESSORI SOCIETY

education that transforms lives

AMS Board-Ratified Strategic Goals

- Goal 1: AMS will raise the public awareness and understanding of Montessori education.
- Goal 2: AMS will be a leading advocate for quality Montessori schools.
- Goal 3: AMS will define and promulgate standards and competencies for quality education of Montessori teachers and administrators.
- Goal 4: Assist members in being career based life-long learners by supporting and providing professional development opportunities.
- Goal 5: AMS will be an educational policy advocate for the Montessori community and the constituents we serve.
- Goal 6: AMS will encourage, support and advocate for research contributing to the knowledge base of Montessori education.
- Goal 7: AMS will expand its work with Montessori public schools (including charters and magnets) in the United States.
- Goal 8: AMS will explore how to most effectively support Montessori education globally.
- Goal 9: AMS will ensure that it has resources, practices, and policies that will allow it to continually grow as a significant voice for Montessori education.
