Part 4: Expressions of Interest

In effort to enhance your experience at the AMS 2014 Annual Conference, we're trying something new this year! Instead of collecting your workshop preferences on this form, we're asking that you let us know which workshops you would like to attend online at: <https://www.surveymonkey.com/s/ams2014conference>. We'll use this data to determine the room size required for each workshop and we'll be able to give presenters an idea of how many attendees they should expect. Note that expressions of interest do not guarantee seating: workshops are still first come, first served, so arrive early to make sure you get a seat!
