

GREETINGS FROM THE BOARD PRESIDENT & EXECUTIVE DIRECTOR

DEAR AMS MEMBERS AND COMMUNITY:

The American Montessori Society remains committed to a world in which quality Montessori education is widely recognized, highly desired, and accessible to all. Critical to this mission are your insights and thoughts on how we can better serve you. As we embark on a year of intrinsic self-discovery, we are evaluating our membership offerings, including value-added resources and services, and ask for your input during the process.

The information and data from our 2018 stakeholder survey, along with anecdotal comments and context maps of AMS, on which stakeholders shared thoughts about key aspects of our organization, will inform the board's conversation in summer 2018 as we revisit our Mission, Vision, and Values and take steps towards a renewed AMS—your AMS! An AMS that meets your current needs and provides a value that surpasses the associated costs. An AMS that informs policy, pushes Montessori advocacy, drives increased interest in the Montessori profession, and serves our children first—regardless of race, color, creed, gender, or any other distinguishing characteristic.

We have enjoyed the first year of our listening and learning tour, visiting schools and teacher education programs in (so far) 7 states. We have been overwhelmed by your generosity and the wonder of your accomplishments. Not only are we using this time to hear about your struggles, but we are using the opportunity to highlight your efforts with the rest of our community, and on social media. Learning about your Montessori journey

is important to the fabric of the AMS story. Thank you for sharing your gifts and letting us learn from you! We look forward to the journey ahead.

We look forward, as well, to continued collaborations with our valued partners—such as the Association Montessori International/USA, the Association Montessori Internationale, the Council for American Private Education, the National Association of Independent Schools, the Montessori Leaders Collaborative, the National Center for Montessori in the Public Sector, and the Trust for Learning, to name just a few. These organizations, much like AMS, encourage respect, courtesy, inclusiveness, responsibility, and diversity. When we work together with these values at the forefront of our mind, we build a momentum that yields success.

We hope you will take pride in knowing all that AMS accomplished during the past fiscal year was with thoughts of you in mind—and that you join us in looking to a bright future. Your involvement, perspectives, and passion for Montessori education will continue to propel the Montessori Movement—and AMS.

Sincerely,

Mary Ellen Kordas TIMOTHY

Board President

TIMOTHY J. PURNELL, EdD Executive Director

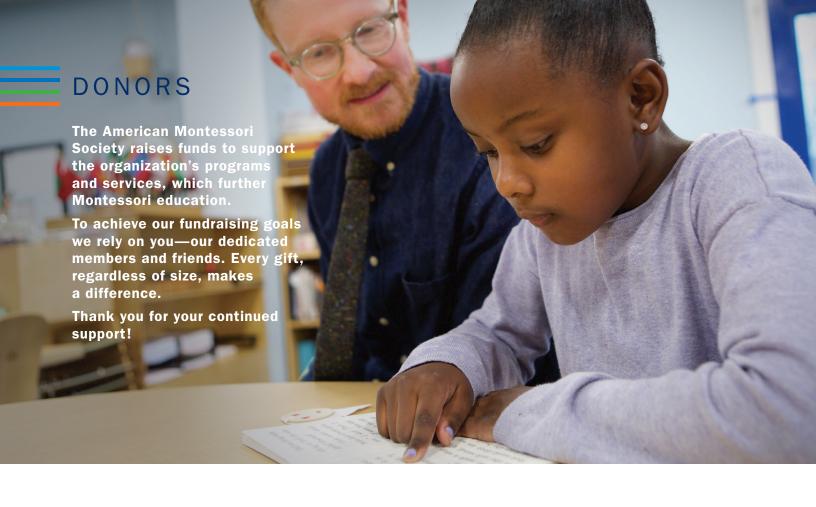

- ▶ Year 1 of our Emerging Leaders
 Fellowship Program drew to a close.
 Feedback from the first group of
 cohorts surpassed our expectations,
 and we are thrilled to be welcoming
 the second cohort—all of whom are
 Montessori-credentialed teachers
 working to expand their spheres
 of influence in the Montessori
 community.
- ➤ We added a new publication to our repertoire: *TEP Talk*, a quarterly newsletter for our colleagues in teacher education.
- ▶ We are creating a **new website** to better serve our members' needs. The new site will have **expanded content about Montessori careers and professional development**, more ways to interact with the Montessori network, and expanded resources for parents and adult learners about member schools and affiliated teacher education programs. Look for a launch in early 2019!

- ▶ We've been laying the groundwork for a series of interactive online workshops that will take a deep dive into **Montessori-relevant topics**, and include discussion boards and resource sharing. And, we've expanded our library of on-demand webinars—we now have more than 70.
- ➤ We were a cooperating sponsor of the 2017 International Montessori Congress in Prague, Czech Republic. It was a wonderful opportunity to partner with our colleagues at the Association Montessori Internationale, who hosted the event.
- ▶ We created two new recognition awards: the Dr. Nancy McCormick Rambusch Pioneering Award, which honors individuals who have made significant advances in raising the profile of Montessori education; and the Douglas M. Gravel Award, which acknowledges those whose generosity has contributed to the sustainability and growth of AMS.

- ▶ What a global organization we've become! We now have members in nearly 60 countries worldwide.
- ► The Montessori Public Policy Initiative received a \$1.7 million grant from the Walton Family Foundation to support a policy landscape that ensures children of all ages have access to Montessori education.
- ➤ Our Pathway of Continuous

 School Improvement continues to grow, with more and more schools opting in to avail themselves of personalized coaching that can help take their programs to new levels of Montessori quality.
- ▶ We've lined up a powerhouse of keynoters for our upcoming Annual Conference in Denver—including iconic traveler **Rick Steves**, illustrating how our planet makes the perfect classroom; and playwright **Anna Deavere Smith** (black-ish, Nurse Jackie), addressing the school-to-prison pipeline.
