

AMERICAN MONTESSORI SOCIETY®
education that transforms lives

June 27, 2024

Dear AMS Members,

On behalf of the AMS Board of Directors, Commissioners, AMS Executive Director Munir Shivji, and staff, I am pleased to present the newly expanded **2024 AMS Community Impact Report**. The content of this comprehensive 52-page publication covers AMS activities and accomplishments from July 1, 2023 - June 30, 2024, and includes our financials and donors from July 1, 2022 - June 30, 2023.

For this fiscal year, the Executive Committee has recorded the **annual meeting** for members to view at their convenience. Please take the time to review updates from the Executive, Directorship, and Finance Committees. We have also provided information on community initiatives and recognitions. Additionally, you can watch the opening ceremony from The Montessori Event 2024 hosted in Orlando, Florida, earlier this year, where Munir shares exciting updates on activities and initiatives currently unfolding at AMS.

With AMS leading an ambitious mission and vision, our collective work and achievements as a community highlight our unique contributions as trusted advocates, leaders, and partners in bringing high-fidelity Montessori education to the world. This report reflects AMS's breadth, depth, passion, and joy. You can **read and download the report** here.

As we begin to unwind for the summer or continue our work, I hope you find time to celebrate our accomplishments and the dedicated efforts we take on behalf of children and their families. And finally, thank you for being a valuable member of AMS.

Please do not hesitate to contact me with any questions related to the AMS Board of Directors.

Sincerely,

A handwritten signature in black ink that reads "Dr. Amira Mogaji".
