

Our Montessori Champions

The following organizations and individuals contributed to our Maria Montessori 150 Fund. With their generous gifts of \$150 or more, they signal that they are champions of Dr. Montessori's 150-year legacy. Portions of their donations will help restore Dr. Montessori's initial observation classroom in Perugia, Italy; construct a statue in her honor in the town center; and fuel the enduring advocacy work of AMS in support of our mission, "Empowering humanity to build a better world through Montessori."

AMS THANKS THEM FOR THEIR CONTRIBUTIONS!
